Dr. Otto E. Guthe
Assistant Director, Office of
Research and Reports
Central Intelligence Agency
Washington 25, D.C.

Dear Dr. Guthe

Thank you for your letter and attachment of 17 May in response to mine of 4 May.

It was realized that the urgent requirement set forth in the attachment to my letter was a difficult one to fulfill, for it asked for a great deal of petroleum data in detail and within a very short time period. Nevertheless, the resulting paper is an excellent one and provides Colonel Nosek with the intelligence he requires.

I am most grateful to you and your organization for the help and cooperation extended to us.

As you suggest, I have asked Colonel Nosek to contact of your staff on any further developments pertaining to this matter.

Sincerely

KARL T. COULD Colonel, USA Chief, Estimates Office
